

DONATIONS

Revenue for the fair and the day to day operations is generated by gate receipts, volunteer organized fundraisers and facility rentals and donations to the fair. The following businesses and individuals that have so generously assisted with their donations and they are received with our thanks. We apologize for any omissions or errors in the following list. We also want to thank the many individuals volunteering their time and services before, during and after the fair.

**THE ONTARIO
TRILLIUM
FOUNDATION**

**LA FONDATION
TRILLIUM
DE L'ONTARIO**

The Walkerton Agriculture Society would like to thank the Ontario Trillium Foundation for their generous support of our building project. The Society was able to put a new roof on the #3 building. Without their financial assistance, this building would not have been repaired. The old timbers in the building were cracked. The old roof was taken off and all new rafters installed as well as a new roof. The south entrance door was made handicapped accessible. There were many volunteers that helped make this project successful.

There were almost 400 volunteer hours put into this project.

A very sincere and heartfelt Thank You to the Trillium Foundation for making this project a reality!

The Walkerton Agriculture Society would like to thank Farm Credit Canada AgriSpirit Fund for their grant towards our #3 building project. Their donation assisted us in installing a ceiling in the newly renovated building.

Thank you very much to
Farm Credit Canada AgriSpirit Fund.
